

Council takes look at new Recreation report

Mr. G. Shelley was in attendance at council committee meeting Monday to discuss some 37 major recommendations of his consultant firm's report on Recreation.

He noted first that St. Albert population ratios of persons under age 20 and also under age 9 years are far above the provincial average. This will be true as long as your growth rate is five per cent or higher - for many years to come, he said. He felt the town should plan on population priorities, rather than on a time frame, such as some centres who might plan, say to 1980. The recommendation was that council determine programs and facilities in stages from a population of 20,000.

Mr. Shelley thought that creating centralized recreation services might potentially be the greatest planning error and recommended

that council look at dispersing services through areas of the town, considering their district populations. The three major geographic areas, he suggested, were south of the river and west of the highway, south of the river and east of the highway.

When any of these areas grow beyond 15,000 - or the town as a whole grows beyond 45,000, then council looks at additional facilities beyond those suggested in the report, said the consultant. Each area of 15,000 would need a pool and at 10,000 would need an arena he said.

Mr. Shelley also found in his studies that outdoor recreation was a major factor of need in St. Albert. Campsites - provincial parks - nature trails and so on, he felt St. Albert was not so well off in these aspects as other municipalities, and that they should be developed on a regional basis,

encouraged by the town.

Are we short-changed by the provincial and federal governments? asked the mayor.

But Mr. Shelley thought it was partly because of the topography of the area - with much good agricultural land - and not a great tourist flow north on highway 2 or forest area. He noted also that with the town's proximity to Edmonton, lakes such as Thunder, Wabamum and Miquelon were overcrowded. That's the kind of area you are in, he commented, as compared to centres such as Red Deer or Lacombe.

"Now we are to have a drug and alcohol centre at the Indian residential school," said Coun. Thronson - some interesting park! Another councillor observed that a park area could surround the centre compatibly.

Mr. Shelley said there was PLEASE TURN TO PAGE 2

Students of Lorne Akins School in the latter stages of a concerted effort to clean-up the school grounds. Father Jan students filled two skidoo crates with litter they collected from school grounds and the hill and park area behind. Engineer Jan Maandag, who is co-ordinating anti-litter week would welcome all possible support of this nature.

Downtown area a disgrace says developer with plan

Deputy Mayor Hudson was in the chair for Committee of the Whole meeting Monday night with six members present and Coun. Bakker absent.

Developer-contractor B. J. Graham and his architect showed drawings of a proposal to develop a unique three storey building in a V shape, elevated to provide underground parking and with particular emphasis on landscaping. The building would be centered on the site, covering four lots on the northside of St. Anne Street.

A landscaped parking area would go in at the front of the building and a small car park area at the rear, which, with the underground parking would provide for 115 cars.

The rear area along the river bank would be bermed up to serve as both a river walkway and a flood barrier. Square footage is about 35,000 net and 42,900 gross and the building would be developed in two stages.

Coun. Thronson said he believed property to the 21.45 level belongs to Town of St. Albert but Planner Gordon thought there would be difficulty in developing such blocks of property if the 21.45 requirement is enforced unilaterally. "We will have to recognize these constraints could eliminate anything between the river and St. Anne Street." The mayor

thought the 21.45 mark applies to new construction areas, not the old town area.

He said he would be concerned however, with the minimum amount of river walkway in the proposal.

Mr. Graham said he had talked to Parks Superintendent Beedle on his concept of the bridge to bridge area as a pilot project, and Mr. Beedle thought the town would be doing some banking to retain the river. "We thought we were working with Mr. Beedle and the town planner," he said. "The parking requirements are stringent or we could widen the walkway."

Planner Gordon said "we have talked of 30 to 40 feet average river walkway between the bridges - and we expect it to be dedicated by the developer. Coun. Lukay wondered how the berm/dike would affect flooding beyond this point.

Mr. Beedle wishes to develop the whole of this river bank area, said Mr. Graham, and it was at his suggestion that we designed the dike or berm area to tie in with his plans from bridge to bridge, and he indicated the town would be putting in a park area. Coun. Thronson said he liked PLEASE TURN TO PAGE 2

Dr. MacEwan honoured at Auxiliary Ball

His Honour the Lieutenant Governor of Alberta, Dr. J. W. Grant MacEwan, was honoured at the fifth annual Spring Ball of the Sturgeon General Hospital

Lions Bike-a-Thon

The Lions annual bike-athon gets underway at Lions Park on Saturday, when Hec Gervais, MLA Ernie Jamison and Mayor Ray Gibbon will be on hand for opening ceremonies and several bands will be on stage in the bandshell from 9:30.

Innovations in the plans this year include a certificate to be presented at the park that day for every rider completing a ride; a engraved trophy for each school student who is sponsored for one dollar or more per mile. These will be awarded after pledges are deposited. And a special trophy has been supplied to go to the highest-sponsored student.

Route maps will be available at the park, and refreshments will also be available. As in previous years a trophy will be presented to the highest sponsored school.

Auxiliary on Saturday, May 4, 1974.

The ball, which is the annual social event of the hospital auxiliary, was held in the Cabaret Room of the St. Albert Inn and close to 300 Auxiliary members and guests attended. The organizers of the ball had been fortunate in obtaining the Lieutenant-Governor as a guest speaker and representatives of the Town of St. Albert and service clubs within the town requested and received permission from the hospital auxiliary for sometime during the evening in order to make a surprise presentation to Dr. MacEwan.

The Lieutenant-Governor arrived with his aide who wore his dress uniform of a Captain in the Canadian Armed Forces. Dr. MacEwan was met by members of the auxiliary executive. Guests were able to meet Dr. MacEwan who mixed freely with the people attending the ball during the cocktail hour. Pumping hands and seeing new faces gave this fine Albertan obvious pleasure.

Mr. Bob Hudson, master of ceremonies, called the gathering to order and Mr. Neil Lonsbury played the Vice-Regal salute at the

piano. This was followed by invocation which was said by Dr. Bill Ramer.

After an excellent and varied smorgasbord catered by the St. Albert Inn, Mr. Hudson introduced members of the head table in his own inimitable style. Mr. Ernie Jamison, MLA for St. Albert, proposed a toast to the Queen. Mrs. Mary Bondarevich, auxiliary president, then introduced the Lt. Governor.

Mr. MacEwan delivered a fine speech with very much relevance to today's society. He wished to see a less avaricious world, where rich and poor shared more freely in the world's wealth and in its declining resources. He saw a fine example of sharing in the hospital auxiliary organizations, and commented on the fact that members paid fees to do work. He felt that this spirit among nations is necessary to avoid possible catastrophe, as the more numerous have-not nations demand a greater share. Dr. MacEwan, a keen conservationist, said that Canada as a rich nation should not only share its resources but should also use them more wisely. The Lieutenant Governor was given a PLEASE TURN TO PAGE 5

Participate in Anti-litter Week

A special effort is being made during Anti-Litter Week, May 6 to 11, to encourage the citizens of St. Albert to clean up their yards. Town Engineer, Jan Maandag, is doing what he can to urge the general public to get involved.

Extra trash will be picked up in the usual manner but additional equipment will be available if there is need. Old car bodies will be picked up if the owner will contact the town and a system has been devised for disposal.

"We will do all in our power to get the town cleaned up," said Mr. Maandag. He reports that double shifts

are in effect for the street sweepers to remove the accumulation of sand and trash left by old man winter.

St. Albert organizations who are putting in a special effort include the Chamber of Commerce and the Girl Guide troupe from the Presbyterian Church. The Chamber is contributing publicity and encouragement to the business sector for the campaign. The Guides are going to take on the park area behind the shopping centre (hill and ravine) in an effort to oust the accumulation of garbage in that area.

Everyone in the town is urged to take part.

Recreation report

FROM PAGE 1

a stress factor on St. Albert. "We note more requests for hiking trails etc. than we encounter in other areas. Coun. de Bruijn asked if the higher level of disposable income was considered by the consultants as a factor, and Mr. Shelley agreed. You are also more mobile - have more two car families than average which is reflected in requests for more outdoor recreation.

Coun. Lukay felt the area south of the river and west of the highway would not accommodate 15,000. Mr. Shelley said he was not sure what will happen to the south boundary of the town, but the growth potential of Grandin Park subdivision was not as great as the others.

Recommendation #7 suggested that council should not duplicate programs for adult participation while the city was under-rolled in some of these programs.

Based on results of public surveys, the consultant thought there was need for more facilities, parks and leadership training. Coun. Hudson felt the public feedback, (through Charette - local organizations and some telephoning) was insufficient and Mr. Shelley admitted response was poor - 27 responses altogether.

The report also recommended a recreation board to lessen pressure on council and qualify them for grant assistance. Coun. Throndon felt some provincial grants were of little help.

Increase in staff was another major recommendation of the report and Coun. de Bruijn was concerned that the administration costs would be too heavy and wanted majority funds for actual programs.

Mr. Shelley agreed on the danger, saying that administration at one time took 75 per cent of Edmonton's budget for recreation.

Mr. Shelley said the town needs a planning and administrative expert as parks and recreation superintendent,

and a director of recreation, and more staff under them - up to seven. Coun. Fyfe questioned the dual administrative functions - as opposed to the town situation where all departments go through the chief administrator. Mr. Shelley said both the administrative people would be very busy. Coun. Lukay said one at least at this time, should get involved in serious planning.

The report also wanted to eliminate any duplication of the Joint Use Committee and Recreation Advisory Board - an overlapping and cumbersome duplication, and it warned that clubs now providing quality recreation require funds to be granted on a priority basis, with regard to what is being provided for the public in three areas: facilities, leadership training and funds, with facilities the greatest need.

In the fiscal area the report recommended obtaining costs per user hour of programs. Some programs in other centres have been found to cost \$4 per user hour, said Mr. Shelley. Figures on this basis are not available now, but will be when the town's new program budgeting goes in, said Administrator Byron.

It became clear that cost of implementing the many recommendations for facilities, programs, staff and administration would be high, and Mr. Shelley thought council should get a public acceptance of the costs of certain standards in recreation. \$50 per capita is considered very equitable he said for capital projects. Plus four mills for current annual expenditures. One mill is roughly \$42,000.

We are almost at \$50 per capita debt now, said Mayor Gibbon, and felt the debt repayment factor, with related interest is an important consideration. He said that with \$35,375 debenture repayments now, plus the new tennis club and outdoor

rink coming, would put it up to \$40,000 annual repayment, based on a 25-year debenture, which could mean a debt of one million. He did not feel the per capita debt was a good yardstick to use, but rather what can be repaid on an annual basis.

Coun. de Bruijn asked, if the annual debenture repayment is included in the proposed four mills for rec. services, and Mr. Shelley replied no, de Bruijn enquired about the administration portion and Mr. Shelley said not over one mill. That won't hurt if you talk of seven people hired, which would be more like 60 - 65,000, said Coun. de Bruijn. Mr. Shelley admitted that maybe four mills would not be enough.

For the next meeting on the report the mayor wanted some cost figures put together by the consultant. These ballpark figures scare me, he said. It will be the taxpayers choice, said Coun. de Bruijn.

**Sir Arthur's
now
Dining lounge**

The new face of Sir Arthur's restaurant features a comfortable atmosphere and an expanded menu. The addition of lunch and dinner menus plus a pleasant old English setting make the revamped establishment an attractive dining alternative for the residents of St. Albert. Sir Arthur's is now a fully licensed dining lounge, a significant change from the restricted service which existed before. In addition to the traditional entrees there are now several new dishes such as -- Steak and Lobster, and Shrimp. Several delicious appetizers are now included on the menu. Though reservations are not necessary, if one so desires a table can be reserved for you.

Downtown disgrace

FROM PAGE 1

something a little different and Coun. Hudson felt it would have to go back to staff. It is a non-circulated item, said the mayor and looks fine, but I agree it would have to go to staff, it may be over-developed. I don't believe there are sufficient reserves re the river, he said, and a lane would come in 50 feet inside your property line.

Mr. Graham had clearly expected a more enthusiastic reception of his one million dollar proposal, which had involved much planning in co-operation with the town planner and parks superintendent. He felt council was rejecting the proposal and councillors were re-acting

negatively.

An alternative he said, "would be four square box one-storey buildings on the four lots. And that would be cheaper for us! But we thought our proposal would be a way to upgrade the downtown area, "It's a disgrace right now."

The mayor moved the committee recommend to council that the proposal be referred to staff. Coun. Fyfe wanted also a report from staff on parking ratios for the downtown area.

Coun. de Bruijn said there may be both federal and provincial monies available for parking. It would appear there would be no cost to the municipalities, if you can

believe newspaper reports, it may be to our advantage to investigate, he said.

Motion to refer two weeks for a staff report was carried 7-0. The proposal should also be referred to the Dept. of Environment, said the mayor.

Don Gagnon, past president of C.U.P.E. Union local 941, Milton Burton and Fernando Poulin and Ken Cook, local president. Retiring outside workers with the Town show the fishing equipment and hunting jacket presented by the union representatives at a social evening.

Retiring town staff honoured by Union

Milton Burton, garage supervisor and Fernando Poulin, well known as the Town's day man at the Arena were honoured at a retirement part by CUPE Outside Worker, Local 941, in the St. Albert Community Hall April 19.

Also invited were other members of the town staff and the families of both men, and about 110 people enjoyed the supper program and dance. Both men are due to retire in July of this year.

Master of ceremonies for the evening was newly-appointed union representative, Matt Walitt, and the function also served as an introductory night for him. Mr. Walitt replaces Fred Pike in this capacity.

Don Gagnon, past president of the union local, was called upon to make a pre-

sentation to Mr. Burton of fishing equipment, a very appropriate choice. Mr. Burton is planning a trip to British Columbia, this year to do some salmon fishing. And following his retirement he will be moving to the Alberta Beach area.

Ken Cook, president of the local, presented a handsome hunting jacket to Mr. Poulin, an ardent sportsman.

The outside workers local numbers 46, and a large turnout of the members were on hand, as well as some 25 members of Mr. Poulin's family and nearly all of Mr. Burton's family. The evening conflicted with the firemen's ball, but a number of town hall staff were present, including Parks and Recreation Superintendent John Beedle, Engineer Jan Maandag and Marcel De Cham-

plain, public works supervisor.

An evening of dancing followed the dinner and all present had a thoroughly enjoyable time, taking advantage of the opportunity to visit informally with their co-workers.

The event was organized by Chester Perreault and Tom Molnar.

Class set for Block Parents

The first training session for block parents will be held in the old Father Jan School at Madonna and Madison on Wednesday, May 8. Const. Rick Maynard will conduct the class for 36 volunteer parents.

Support of the Block Parent plan continues to grow and on May 13 Const. Maynard will be speaking on it to the Lady Lions meeting. The St. Albert Safety Council and both school boards are also backing the program, which will eventually provide youngsters with a place to go on each street, if they are hurt or in any kind of difficulty. St. Albert residents will soon be seeing the first of the big red and white signs which will be placed in the window at block parents homes, so that youngsters will know where help is available.

Winnifred Stewart Blitz nets \$3,800

Over \$3,800 was collected in the St. Albert Blitz on May 1st for the Winnifred Stewart School for Retarded Children. The blitz was sponsored by the Knights of Columbus and co-ordinated by Mrs. Helen Alain, who is to be commended for the well organized campaign.

She was assisted by area captains and canvassers in every district who volunteered to help. This year some high school students joined in the canvas, taking advantage of the opportunity to show their goodwill towards less fortunate fellow students, and their help was greatly appreciated by the Knights, who are grateful to everyone who participated and made the blitz so successful.

LETTERS

With appreciation

The Editor:

I believe the people from St. Albert and District who attended the Sturgeon General Hospital Auxiliary - Spring Ball, would agree The Hon. Dr. J. W. Grant MacEwan was truly moved by the recognition of his association with the youth and adults of our Town.

This was made possible through the contributions of the Hospital Auxiliary, Town of St. Albert, Klmsmen Club, Landing Trail Cubs and Se-

outs, Girl Guides and Brownies, Chamber of Commerce, Lions Clubs, Mrs. C. Maxwell of Vermilion and The Hon. Marcel Lambert.

With sincere thanks and appreciation.

Eileen Gibbon.

P.S. - Special acknowledgement to the quiet Mr. Gerald Ward and his fellow scouters for a uniquely designed bird-house.

Disgusted re park

The Editor:

I am thoroughly disgusted upon hearing that the park area surrounding Flagstone Flint and Fernwood Crescent is going to be plowed under and replanted, because of a certain company's inability to do the job correctly in the first place.

It is a shame that our children must wait another year before they will be able to play on the park. I wonder if our taxes on the park are waiting for another year, because of a sloppy job.

Mrs. E. Kaye,
Forest Lawn.

AROUND TOWN

Bette Smithson had a good opportunity to visit old friends at the Sturgeon General Hospital Auxiliary Ball Saturday evening. A former member in St. Albert she has now joined the Auxiliary in Lethbridge. Bette is keep-

ing busy with typing for the Winter Games and enjoying this volunteer work also. Actually she arrived April 30 for a visit with Marg Hitchings, who had planned since last fall to have Bette for a special bridge club outing, and sort of sprang Bette on the gang the night after her arrival. 'Don't let anybody tell you that a woman can't keep a secret' said Bette.

Red Shield appeal underway

There is every evidence of another successful Red Shield Appeal according to the Salvation Army's General Campaign Chairman, Stan Milner. The Appeal commences on May 1 and runs for the month of May.

The Army is seeking a sum of \$175,000 in this year's Appeal. A residential blitz to be held Monday, May 13, is intended to raise 34 per cent of total figure. During the early days of May, the Business Division, Commerce and Industry, Special Names, Professional, and Employee Groups, will be seeking to raise a total of 66 per cent of the \$175,000.

MacEwan honoured

FROM PAGE 1
standing ovation.

Mayor Ray Gibbon was called to the microphone to pay tribute to Dr. MacEwan and to announce the surprise presentations which he said came about through the initiative of his wife Eileen. He also read a congratulatory cable from Marcel Lambert who was unable to attend. The mayor called upon Sheila Cooper, vice president of the auxiliary to present a bouquet of red roses for Mrs. MacEwan who was unable to attend the function.

The following gifts were ushered in for presentation to Dr. MacEwan: a bird house, designed in the shape of the Town Hall, was donated by the Boy Scouts; Shrubs were given by the Girl Guides; a crest of the Town; a 150-year-old crib and a blanket made by a local lady

were presented jointly by the Town, the Lions Club, the Chamber of Commerce and the Klsmen Club of St. Albert. Dr. MacEwan was visibly moved by this unexpected tribute and presentation and he thanked the groups involved very warmly and sincerely.

The evening then continued with dancing to the music of the Comboettes and Dr. MacEwan was one of the first persons on the floor. A spontaneous rendition of "For he's a jolly good fellow" erupted sometime later, before Dr. MacEwan was called away to rest in anticipation of his "Miles for Millions" walk the following day.

The evening was very successful which was gratifying to the Sturgeon General Hospital Auxiliary members who had put in much effort in its planning and organization.

Villeneuve site confirmed for satellite airport

Mr. D. J. Dewar, Western regional administrator of the Ministry of Transport, has announced that the site one and one-half miles west of Villeneuve has been selected for the new Edmonton

Lacombe students win poster prizes

Albert Lacombe School received top honours in the recent Cancer Poster Contest. The winners from Grade three and four took two first prizes, two seconds, one third and one fourth. Their posters were chosen from some 1,000 entries from Northern Alberta. Each received a cheque for their efforts. First received \$10., second \$5., third \$3 and fourth \$2.

Winning student artists were John Parker, Greg Lockert, Valery Jansen, Marty Hoffart, Judith Tap and Rochelle Kasper.

Satellite airport. The decision follows consultation over several months with the aviation industry and other interested groups, as well as with the M.D. of Sturgeon and the Edmonton Regional Planning Association.

E.R.P.C. has agreed that the site is the best choice among several previously identified as suitable. The concurrence of the Commission carried several stipulations, including development of an Air Port Master Plan, to be completed prior to the start of construction.

Negotiations are underway with the nine landowners where land is required for the site. No residences are involved. Estimated cost of the satellite, the third civil airport in Edmonton area, is estimated at 2 and one-half million dollars, to cover purchase of land, construction of runway, taxi-ways, aprons and air traffic control tower, necessary service buildings, air traf-

fic control tower and development of a commercial area.

The satellite will relieve congestion at the Edmonton Industrial and allow it to more fully develop as a 'Special Purpose' airport, said Mr. Dewar, handling air bus commuter service and business oriented air traffic. It will also preclude the necessity of light flying, training aircraft using the Edmonton International Airport, where they must intermingle with large airline craft.

The need to establish a satellite airport was one of

the major recommendations of the Edmonton Area Aviation systems Master Plan Study, jointly conducted by the City, the Province and the Federal M.O.T. The satellite concept, to relieve traffic congestion and enhance aircraft safety, is already in practice in such western cities as Vancouver, Winnipeg and Calgary.

Planning for the airport has been underway since the city and M.O.T. completed a "memorandum of understanding" in November of 1973.

The loving gift-yours to give

The St. Albert Kinette Club is sponsoring a Red Cross Blood Donor Clinic Tuesday, May 21 at St. Albert Community Hall between the hours of 5 and 9

p.m. The clinic is an annual project at which time the Kinettes appeal to the public to respond generously of blood for this vital service.

Should you go to the St. Albert Community Hall on May 21? If you do, your purpose will be to donate a pint of blood. You will stay only 30 minutes, in which time you will be tested, registered, rested and given some refreshment. It takes only four or five minutes to actually give your blood.

The majority of people between 18 and 65 can give blood. Seventeen year olds can donate if they have the written consent of their parents. There are some medical reasons for not accepting a donor.

*Infectious Jaundice - at any time in your life.
*Allergy - active Hayfever or Asthma at present time.

*Pregnancy - within six months of delivery.
*Diabetes - Cancer - TB Heart or Kidney Disease.
*Epilepsy - Hypertension Rheumatic Fever - lifetime
*Surgery - during the past year.

*Malaria - within the past year.

*Active stomach ulcers.
Male donors can donate every three months. Female donors can donate every four months.

Now that you do not have a medical reason, why should you donate your blood? Blood

cannot be manufactured. It must come from people. Whenever you or a member of your family are in hospital and need blood or blood products, you will receive these free of charge in Canada.

If you happen to need transfusions while travelling out of the country, have your doctor notify your local Red Cross in Canada and arrangements will be made to replace the amount of blood necessary at no charge. Many countries, including the U.S.A. still do not have this free transfusion service

St. Albert dancers score Canadian firsts

Miss Patricia Crall, examiner of ballet, national, and modern dance, for the Imperial Society of Teachers of Dancing, London, England was delighted to be back in St. Albert again.

For the first time in Canada two St. Albert girls were examined for their gold star tap test.

Patti Hughes and Cindy Alford impressed Miss Crall with their dynamic performances, and both received honors in this exam.

Miss Crall visited Alberta two years ago to conduct teachers classes for the Professional Dance Teachers Association.

This week she returned from England to examine children from St. Albert School of Dancing in ballet, modern dance and tap.

"I am pleased and impressed with the high standard of work that I have seen at the St. Albert School of Dancing, and I wish the school continuing success in their new building," said Miss Crall. She will conduct examinations in Calgary, Lethbridge and Edmonton.

The children were equally delighted with Miss Crall, and they all agreed that their exam was "fun."

The older students enjoyed classes with Miss Crall after their exams, and all hope she will be returning to Alberta again, before too long.

The exam results are as follows:

BALLET HONOURS:

Laura Labby, Sandra Stiff, Colleen Hughes, Doris Wutzke, Alana Blower, Chrysanthia Genoway, Laurel Pietrzak, Mary Dale Stanley, Page Penny, David Schlottke, Ellen Wutzke, Robin Johnson, Susan Clark and Jill Sonntag.

First Visual Auto Teller III Unit in Western Canada—Now At "the unbank"!

The Fastest Teller In Town!

The Visual Auto Teller Unit is specifically designed to provide a quick, easy and convenient way to do all your financial business — from your car! Simply drive up as close to the unit as possible and press the "service" button. The carrier drawer will be extended toward you for easy reach. Remove the carrier, place your transaction in it and return it to the drawer. It will be automatically retracted, sent to the teller, and then returned to you. Remove transaction materials and you're on your way!

Free Gifts Just For Trying V.A.T. III!

Our V.A.T. III Unit is now operational. However, we're having an "official opening" on May 11th. Everyone who returns the coupon below on that date will receive free gifts for every member of the family! No obligation — and you don't have to be a member to qualify!

David Symbaluk of David Datsun Ltd., receiving cheque from St. Albert Kinsmen Barry Welsh, president and Rene Parenteau, when the club bought a Datsun B210, four door sedan for the St. Albert Rodeo Raffle. The draw will take place on Sunday, June 16, the last day of Rodeo Week.

The parking lot between the Mission Park baseball diamond and the tennis courts was jammed Monday evening with play going on in both sports as well as kindergarten registration at the old Father Jan School. The gentleman just above the car in the foreground is Lorne Wood, president of the Tennis Club.

Kinsmen's Rainmaker

The people did it, says Rodeo Chairman Terry Moore. They named it and this year the club has made it official. Rodeo 113 on June 15 and 16 will be called 'Rodeo Rainmaker.'

To prove they were serious, a clever new logo, featuring a pair of cowboy boots tapping their toes in a puddle under a cloud pouring down rain. All of which is shown in a big cowboy hat outline - very effective.

Rodeo Week will be officially opened June 9 at Lions Park, starting off seven days of excitement, with rodeo queen crowning, pageants, competitions and beerfest leading up to the big climax - three rodeo performances.

The Kinsmen are looking for lots of ideas and would be happy to help co-ordinate and advertise any event that a group or individual feels would help celebrate the town's birthday. If you get a brainwave, phone Special Events Chairman, Dave Stewart at 459-5122.

Beerfest chairman Fred Flk has some good bands and local entertainment lined up for the arena, from Thursday evening through Saturday night, including the popular Barbary Brass band

plete series with the second game Thursday night from Boston Gardens, starting at 5:30 p.m. The series then shifts to the Philadelphia Spectrum for the third game Sunday at 2 p.m. which will feature Showdown with Jim Pappin of the Chicago Blackhawks shooting on New York Rangers goalie Gil Villemure. The fourth game will go Tuesday in Philadelphia at 6 p.m.

Bruins nip Flyers

A last minute goal by Bobby Orr gave the Boston Bruins a 3-2 win in the opening game of the Stanley Cup playoffs. Bruins jumped into a 2-0 first period lead on goals by Cashman and Sheppard only to see the Flyers fight back to tie it on Kindrachuk's second period goal and Clark's equalizer in the opening minutes of the third. CBC TV will televise the com-

plete series with the second game Thursday night from Boston Gardens, starting at 5:30 p.m. The series then shifts to the Philadelphia Spectrum for the third game Sunday at 2 p.m. which will feature Showdown with Jim Pappin of the Chicago Blackhawks shooting on New York Rangers goalie Gil Villemure. The fourth game will go Tuesday in Philadelphia at 6 p.m.

Tennis tourney

The first adult tennis tournament of the year will be held Wednesday, May 15 at the Mission Courts. The "fun" doubles tournament will get underway at 7 p.m. sharp with all players taking part. Games will be about

15 minutes long with each player having a different partner for the five or so games they will be playing.

The opening junior tournament is scheduled for May 25 at 1 p.m. with all junior players welcome.

Roller Derby Action

The exciting Canadian All-star roller derby team as seen on TV Saturday afternoons will be coming to the Edmonton Gardens - May 18 with the Baltimore Washington Cats being their opponents. The show which starts at 8 p.m. will feature Paul "the bear" Rupert, "Skinny" Minnie Miller and Dianne Syverson on the Canadian team while the Cats will be led by Bob "the bald eagle" Hein, Margie Laszlo and Buddy Atkinson Sr.

Fans are guaranteed plenty of action.

Thieves Carnival here May 9-12

The cast of Jean Anouilh's comedy, 'Thieves Carnival' includes a number of well-known local actors and actresses and some more recent ones. It includes Marcia Scammell, Geri Peterson, Don Mills, Dave Geddes, Peter McCaffery, David Scammell, Margaret Hicks, Derek Webster, Peter Wilcock, Kim MacMillan and David Sereda. The St. Albert on Sturgeon Players production is directed by Michael Romanov. Four performances go at Paul Kane Theatre Thursday through Sunday. Have a night out and see what our local little theatre group can do!

Margaret Hicks in the role of Eva with Peter McCaffery as Hector, and Derek Webster (Lord Edgard) reading his paper, in a scene from the production of 'Thieves Carnival' being presented May 9 - 12 by the St. Albert-on-Sturgeon Players.

Wescott group at 40 Thieves

Gary Wescott and his group Horizon are now entertaining at the 40 Thieves

Dining Lounge in Edmonton on the corner of 82 Avenue and 103 Street for the month of May.

Gary, 14, has just completed a tour of Western Canada. After the engagement at the 40 Thieves Gary plans a national tour of Canadian night clubs - beginning

in Vancouver and while in Toronto this summer he will be on the summer replacement of the Tommy Hunter Show on National CBC Television. Kelly Jay of Crowbar has taken an interest in Gary and Gary plans a recording session with Kelly this June.

Dancers to perform on mall

On May 9 and 10, from 6 p.m. to 9 p.m., a group of dancers representing the Ellen Armstrong Dancing School will perform on the Mall at the Grandin Shopping Centre. The group also hope to be performing on Saturday as well.

Raffle tickets on a 1974 Dart Swinger Special will be sold with the proceeds to go to a fund to send 100 dancers to Ottawa for the Interprovincial and Canadian Championship on June 29. Among the dancers to be going to Ottawa are performers from St. Albert, Ft. Saskatchewan, and the greater Edmonton area.

The raffle is conducted under the auspices of the Alberta Highland Dancing Association, Edmonton Branch. The display of dancing skill will provide a lively diversion for shoppers.

FLIKING

The Great Gatsby

What do people of great wealth do for excitement in the 1920's? They wear elegant gowns, extravagant bonnets, pastel colored suits, and drive shiny, new Rolls-Royces.

Robert Redford is the Great Gatsby - a man who throws lavish, rip-roaring parties at his stately mansion - and yet, who is the Great Gatsby? His next door neighbor, Nick Carraway (Sam Waterston) is an ordinary, hard-working man with a quaint cottage on the same lake. Nick is invited to one of the parties and becomes involved in one of the most dramatic, ironic, and finally, tragic situations of his life.

Mia Farrow plays a woman who has lived in wealth all her life. She is surrounded by beauty and breathtaking to look at. Her short meeting with Gatsby is impulsive, romantic, and expensive. Her husband is played by Bruce Dern who portrays a wealthy man with many tastes in life, but little character. Scott Wilson does an excellent job of characterizing a man of poverty who sorrowfully becomes involved with the people of wealth by the expensive desires of his wife. (Karen Black).

This movie will take you right out of your world

The Great Gatsby is currently showing at the Westmount A Theatre, 114 Avenue and Groat Road.

Dads Pop Shop doing very well

Dad's Pop Shop, located in the shopping centre on St. Anne Street, is being well received by residents of St. Albert. The store has been open since April 24 and manager Jim Patrick reports it has been greeted by a 'fantastic response' which he finds highly encouraging.

The new pop shop is open

Monday through Saturday from 10 a.m. to 8 p.m. and boasts a 16 flavour choice to mix and match. In addition, Mr. Patrick offers a special rate to any club or organization interested in purchasing soft drinks. Mr. Patrick urges these organizations to contact him and work out an arrangement.

Jim Patrick is married

and has a nine year old son. The Patrick family is residing at present in Edmonton but intend to change that situation. "We hope to move out to St. Albert as soon as school is out." As well as the Dad's Pop Shop franchise in St. Albert, Mr. Patrick is considering the establishment of another outlet in the community of Sherwood Park

Large crowd enjoys auxiliary dance

A crowd of about 250 people, including a healthy proportion of young couples, had a terrific evening at the dance put on by the Ladies Auxiliary to the Royal Can-

adian Legion at the Community Hall Saturday evening.

Entertainment during two intermissions by the Legion Pipe and Drum Band receiv-

ed most enthusiastic response, and the five pipers and three drummers did themselves proud, under the direction of Gerry Piper.

Auxiliary President June Kendel presented Legion President Denny Taylor with an engraved plaque which will go on the bass drum, presented earlier to the bank by the Auxiliary.

Shirley Sorsdahl, chairman of the Ways and Means committee estimates that proceeds of the evening will be approximately \$500. Music by the Ross Taylor Trio had the crowd up on the floor throughout the evening and a total of nine prizes were given out.

President Taylor announced the second annual President's Ball sponsored by the St. Albert Legion and being held this year at the Purple Dude on May 11. The event was a success last year in bringing together presidents and representatives of many community organizations to enjoy a dinner and social evening.

Line-up for registration in the fall season of the St. Albert Parish Kindergarten was almost unbelievable. Some parents in this line were at the point of being 169 on the WAITING LIST! The situation is expected to show up at the other kindergartens in town as they hold registrations in the next few weeks.

Town of St. Albert

Public Notice

The Council for the Town of St. Albert will be appointing one member to the Sturgeon General Hospital Board. The person appointed will serve the balance of the term of Mrs. A. Sonntag who recently resigned. The Council invites applications from interested citizens who are willing to serve as a member of the said Board. Appointment will be considered by Council at its regular meeting Monday, May 13, 1974 and all applications must be in the hands of the undersigned by noon, Friday, May 10, 1974. Applicants should present a resume of their experience and qualifications which relate to the duties and responsibilities of being a hospital board member.

Profit planning with TD Farm-Pac

TD Farm-Pac is a package of financial services, including line-of-credit financing, a variety of loans to meet your specific needs, and low-cost farm loan insurance.

Your local Toronto Dominion Bank Manager will show you how TD Farm-Pac can work for you. He's supported by a team of Agrologists available to help with farm management problems. He'll help you reorganize your farm finances using TD Farm-Pac, so that loan decisions can be based on sound financial planning and your farm's cash flow.

Drop in at your nearest Toronto Dominion Bank and pick up your TD Farm-Pac kit. See how TD Farm-Pac can help you plan for your profit and for your future.

Dori-Lynn Fashion opens on mall

Dori-Lynn Fashions, located in the Grandin Mall, should attract a lot of attention during its grand opening celebration and in the future. The store is a first in St. Albert, catering to ladies fashions under the

experienced eyes of proprietors, Ben and Doris Radomski. The store itself is a spacious and well stocked shop which will carry brand name merchandise of a medium price range. Four fitting

rooms are on the premises and in the words of Mr. Radomski, it represents a 'needed service in St. Albert.' Many years of experience are represented in the staff of Dori-Lynn and Mr. and

Mrs. Radomski have been in business in St. Albert for about two and one-half years. They are confident that they know what people want and will do their utmost to accommodate them.

A three day grand open-

ing extravaganza promises hundreds of dollars in prizes. Among the prizes to be given away are boxes of chocolates for mom (every hour), different brands of bras, a handbag, a \$25 pengior set, and a White Stag co-ordinate set

valued at \$55.

In addition to the prizes offered, a five dollar gift certificate will be given with each purchase of a coat or dress during the three day opening celebration.

SPORTS

Mayor Ray Gibbon prepares to drop the ball for the opening face-off of the St. Albert Lacrosse season last Saturday in the Arena. The two teams are from St. Albert and Sherwood Park and were competing in the Novice division.

Lacrosse well launched by fine weekend program

The St. Albert Lacrosse program under the sponsorship of the Knights of Columbus organization, officially got underway last Saturday with Mayor Ray Gibbon facing off the opening game of a match between St. Albert and Sherwood Park in the Novice division. Sherwood Park with 11 players from last years championship club, shutout St. Albert 11-0.

St. Albert coach Bob Tascherau had only three holdovers and it also appears he has been converted to the womens lib movement as he has three girls on his roster in Lori Jones, Barbara Bull and Ada Chung. Move over boys because these three know what the game is all about.

In the peewee contest Brian Shaw scored both St. Albert goals in a 7-2 loss to West Edmonton who were last years champs in that division.

In the bantam game South Edmonton, also a championship team from last season defeated St. Albert by a 14-1 score with Darcy Scheurman scoring St. Albert's only goal.

The final game of the day was a real thriller between two top intermediate clubs that ended in a 5-5 tie. Last year champs North Glenora Blues felt they would have no trouble beating the St. Albert Rams but did not count on the tremendous goaltending of Dave Loznick in the St. Albert net. Rams with some excellent checking, jumped into a 2-1 first period lead on goals from Dave Cogliin and Bruce Rowland. Both clubs scored a pair each in the second frame with St. Albert getting goals from Carl Dean and Stephen Davids. Rams slacked off for a few minutes in the final period and allowed the Blues to score

twice and take a 5-4 lead.

With only a few minutes to play Barry Quenengesser tied the score for the Rams.

Loznick made many excellent stops on the final moments to preserve the tie.

Chairman Ted Edmundson was very pleased at all the teams play during the exhibition games as all the teams brought in to play were champions of their respective divisions last year and all had a good bunch of holdovers. The fans saw

some fine play and the hometown boys will now know what they will have to do to make a good placing in the standings. Mr. Edmundson is still in need of some coaches and assistants in the peewee and bantam divisions so that some extra teams can be made up and give the boys more playing time.

Schedules are now being made up and will be featured in the Gazette each week with the game scores.

NCA Baseball league 1974

The North Central Baseball League will get underway Wednesday, May 15 with all six teams participating. Bon Accord will play at Lamont, Vimy will be in Morinville and Legal will travel to Rochester in the league openers.

The league will not operate in a divisional set up this year with Westlock, Linaria, Barrhead and Mayerthorpe. The above four teams failed to send a representative to any of the league meetings and therefore the new six team league was formed. The league will see

each club play 15 games with a four team playoff at the home of the first place team scheduled for the third week in August.

Vimy won the league title last season and along with Bon Accord who defeated Morinville in the semi-finals played in the two division finals in Barrhead. Barrhead won the overall championship with a final 5-4 win over Bon Accord. There will be no weekend scheduled games so that teams may compete in as many tournaments as possible.

Kinsmen Hockey Party SATURDAY

The Kinsmen minor hockey banquet and awards presentations will once again be held in the Arena this Saturday starting at 1 p.m. Tickets will be available at the door and all the fam-

ily is welcome. Adults will be charged 75¢ with the boys and children 50¢. Hot dogs, pop and ice cream will be served along with some entertainment that is being lined up.

Saints Open Season Monday

St. Albert Willowbrook Saints baseball club will play host to Fort Saskatchewan Red Sox Monday night in St. Albert (7 p.m.) In the opening game of the eight-team Sunburst Baseball League.

Saints finished in top spot in the north division last year and then took out Burns Shamrocks in the semi finals Leduc Oilers sidelined the Saints in the league finals on their way to the provincial championship.

The north teams this season will be City Police, Blue Willow Jrs., St. Albert and the Fort. The south will have teams from Leduc, Camrose, Edmonton Cards and the Capilano Junior Tigers.

Saints will have 11 home games in their 20 game schedule with two of their away games being played at Renfrew Park in Edmonton. Blue Willow Jrs. and the Cardinals will be the opposition.

Rookie coach Bob Salahub is facing a big rebuilding job with a number of last years players either retiring or going to greener pastures. Last year's coach, Larry Murray and pitcher Wayne Biggs are expected to play in the Alberta Major League with the Blockers,

Coach

Bob Salahub

while Chester Cunningham, Louis Martineau and Rich Perrault are considering retiring. No word has been heard from Henry or Don Hodgson, Rick Pugliese, Gene Sharun or Terry Stiles as to what they will do this year.

Coach Salahub and his assistants, Art Rechlo and Arnold Bailey have some good players in camp and are expecting a good team. A perennial member of the

team, Rene Poullot, has indicated he will not be back looking after the equipment and this has to be a big loss as there are no better in the business.

Any players wishing to attend practices are asked to be at the Mission Park diamond tonight or call Bob Salahub at 439-0579 or Art Rechlo at 458-1671.

Saints Baseball Practice

St. Albert Willowbrook Saints of the Sunburst Baseball League are holding a practice tonight starting at 6:30 p.m. at Mission Park diamond. All positions are open and players who cannot attend are asked to call coaches Bob Salahub 439-0579 or Art Rechlo at 458-1671.

The Knights of Columbus and St. Albert Lions Club minor baseball program got underway Monday night with the Mosquito division playing a full slate of games. The above future major leaguer has just connected for a base hit.

Sailfish elect 1st lady president

At the annual general meeting of the St. Albert Sailfish Swim Club, held on Wednesday, May 1 at the Percy Page Centre, Mrs. Hilda White was elected as its new president for the 1974 swim season.

Mrs. Hilda White and her husband Dr. White, have been very keen supporters of the Sailfish Swim Club and have three sons all of whom are avid swimmers. The club looks forward to another successful season and the members can be sure that Mrs. White will provide efficient and capable leadership.

The following persons were elected to serve on the clubs executive, Noreen Medland, secretary; Paul Matear, treasurer; Helen Lastwika, records secretary Jim Kehoe, officials chairman.

Outgoing president John Grave gave a resume of the clubs performance over the past year during which it once again won the North Central Region team championship and showed up very well in the provincial championships. He said that the club had tried several new things in 1973 such as holding a Rodeo Swim meet, moving the July swim meet away

from the holiday weekend and on two occasions sending teams to two different swim meets on the same day.

This year it was again proposed to hold a meet during the Rodeo week, probably on the opening Sunday June 9 and it is likely that the July meet will be held on July 7.

The club will begin swimming on May 21 but the first four days will be a time for swimmers to get acquainted again and meet new friends. It is hoped that anybody who is interested in competitive swimming will come along to the pool during that week so that arrangements can be made for them to try out for the team.

Pool Opens

The St. Albert Swimming Pool is assessed to be in good shape but in need of painting according to the new pool supervisor, Dave Dlugos (pronounced Daloogus). Dave stated that he is keeping his fingers crossed that the pool will be ready for opening on May 18.

Dave is a 20 year old Mathematics student at the University of Alberta and boasts four years of experience in the administration and operation of swimming programs in Alberta and the North West Territories. He has also been a member of the Golden Bears' swim team and a participant in University water polo in the last few years. Commenting on the upcoming summer as pool supervisor, Dave said 'It could be fun.'

Three of the four other pool staff members are new to St. Albert. The other person is John Edwards, who was on the staff a few years ago. There will be two other persons joining them later

in the summer.

The pool will be offering priority to the schools between the hours of 9 a.m. and 3:30 p.m. during the week. The public swimming schedule will be practically the same as existed last year.

Dave Dlugos will be assisting in the coaching of the St. Albert swim club when they begin their program. He is a resident of St. Albert.

DAVE DLOUGAS

Minor Baseball Results

The St. Albert Lions and the Knights of Columbus minor league baseball program got underway with perfect weather Monday night with five mosquito games being played. Last night the beavers and bantams were to have started their schedule off with four games but were rained out.

In mosquito "A" action, Totems dumped the Oilers 18-1 while the Phillies needed an extra inning to defeat the Apollos 20-19. The Apollos were last years champs.

In mosquito "B" play the Broncos shutout the Mustangs 9-0. The Canucks doubled the score on the Lions 18-9 and the Eskimos took a close 6-3 win over the Orioles.

150 girls involved in softball leagues

The popular girls softball league operated by the hard-working Hercules Sports Association and the St. Albert Parks and Recreation Department will open their 1974 season Thursday, May 9 in the Squirts division while the Bantams take to the diamonds Tuesday, May 14.

The program will be split into two age groups with eight teams operating in the Squirts (ages 8-11) and four teams in the Bantams (ages 12-16). The Squirts will play a 10-game schedule which ends regular season play June 11 with the semi-finals slated for June 13 and the finals for June 18.

The four team Bantam league will see each team play nine games with the regular schedule ending June 11 and the semi-finals set for June 13. The finals will be a two-game total point and will be played June 18 and 20. Both leagues will be played Tuesdays and Thursday evenings only, starting at 7 p.m. sharp.

The Squirts games will be played on the Sir George Simpson or St. Albert High School diamonds while the Bantams have their games scheduled for Sir Alexander Mackenzie or the Diamond behind the Catholic Church.

Approximately 150 girls will be involved under the

able chairmanship of Frank Vettergreen. Winning coaches are asked to call Mr. Vettergreen at 459-8914 immediately following the game with the score so that up to date standings can be made available to the Gazette.

W.I. hears speaker on wise consumers

At the recent women's Institute meeting, held at the home of Mrs. Claire Bonneville, 18 members were present. Mrs. Agnes Richardson showed the handicraft for the evening, daisies made on a daisy machine, mounted on burlap and then framed.

Official notice has been received that the St. Albert Women's Institute has received their grant for the Senior Citizens Recreation Centre from the RCMP Centennial Committee. Formal presentation will take place shortly.

Raffle tickets are now available for the handmade rug, the proceeds from this raffle will go towards the senior citizens centre.

President Nora Rouault thanked all the ladies who helped with the quilting at the Bay during Harvest Days recently.

A motion was passed regarding the setting up of quilting classes for interested persons this fall season. A work party will be out to clean up the flower beds at the Community Hall in preparation for planting flowers.

Mrs. Agnes Richardson was asked to be delegate to the Constituency Conference held in Edmonton.

The purchase of additional hospital equipment, and the repair of wheelchairs was approved. This equipment is available as a community service with only a nominal damage deposit required.

Guest speaker for the evening was Mrs. Sally Merchant, consumer consultant for the Federal Department of Consumer and Corporate Affairs. Mrs. Merchant stated that essentially the purpose of her department is to inform the public so that they become "wiser consumers." Our free economy regulates the quality and price of products, but the Consumer and Corporate Affairs department does help to govern quality via administering legislation set down in many Acts.

Some of these which are more familiar to the con-

sumer include: weights and Measures Act, Hazardous Products Act, Textile Labelling Act, Package and Labelling Act. It also participates in the administration of the following statutes:-- Canada Dairy Products Act, Fish Inspection Act, Canada Agricultural Products Standards Act, Food and Drug Act, Currency and Exchange Act, Maple Products Industry Act.

Mrs. Merchant said that generally "boycotts" do not accomplish anything. We, the consumer must use more discretion when buying -- ask yourself "Do I really NEED it?" Mrs. Merchant cited several cases where complaints to her department re unsatisfactory products has been investigated, then rectified thus saving Canadians many dollars.

If a product or service is unsatisfactory, first get your facts straight, write them down (and keep a copy for yourself). Describe exactly what is wrong. Take the facts to the seller and make your complaint clear. If the seller can't help you, to the head office of the manufacturer or supplier. If you are still not able to get any help contact the Federal Department of Consumer and Corporate Affairs, available by calling 425-5660. The wise consumer is the informed consumer. The evening included a very lively discussion about many of the current consumer problems.

Bruno Houle dies

Father Collin Levangle conducted funeral services for Bruno Houle on Tuesday April 30 in the St. Albert Roman Catholic Church. He was assisted by Father Gaudet, Edmonton, who had officiated at the wedding of Bruno and Therese, and Father Cunningham.

Mrs. Bertha Kennedy at the organ, and soloist Mrs. Doris Tellier, provided the music for the service, and readings from the scriptures were given by two sons-in-law of Mr. Houle, Guy Matthew and Brian Klak.

Members of the St. Albert Council, Knights of Columbus, were pallbearers and eight of Mr. Houle's brothers were honorary pallbearers: Tony, Leonard, Constant and Jean-Paul of Prince Albert, Saskatchewan Ovide of Saskatoon, Guy and Sarto of Spirit Wood, Sask-

atchewan and Allan of St. Albert, who carried the cross in the procession. Serving as altar boys were two nephews, Gary Houle and Len Islinger. Interment was in the church cemetery.

Following the service, luncheon was served in the lower hall of the church. Relatives of Mrs. Houle from Vancouver and Prince George, B.C. were here for the funeral.

A long time resident of St. Albert, Mr. Houle came in 1942 from Bellevue, Saskatchewan, where he was born in 1919. Upon his arrival in St. Albert he was employed by the Grey Nuns during which time he was married to Theresa Thibert in a double wedding ceremony. They were married in the same ceremony as Bruno's brother Allan and Theresa's sister Marie on June 14, 1944.

In the years that followed the Houles' were blessed with four children, Lucille, Leo, Yvonne and Rita.

Over the years Mr. Houle was very active in the Knights of Columbus, the Credit Union, the St. Albert Roman Catholic Church Council and he was instrumental in establishing the Girl Guide Movement here.

Up to his death he had been very happily employed with the St. Albert Public School District #3 for approximately 20 years.

A respected and well loved member of the community, Mr. Houle will be deeply missed by his family, relatives and a host of friends. Death came by cancer at age 54, after a lengthy illness, which he bore with little complaint and much fortitude.

He is survived by his wife Theresa; his three daughters: Lucille, Yvonne and Rita; and his son Leo. Mr. Houle also leaves four grandchildren, nine brothers and two sisters.

Namao News

By Norma Crozier

An historical event took place in the Namao United Church on Sunday evening when the newly formed Roman Catholic Parish, under the dedicated leadership of Father John Adamyk, celebrated their first mass.

Father Adamyk, parish priest of Redwater and mission Gibbons was encouraged by newcomers, Mr. and Mrs. Jules Loiselle of Sturgeon View Estates in the Namao area. There are approximately 45 Catholic families in this district and it was noted that many did not attend mass regularly because of the distances and time factors in going to Gibbons, Edmonton or St. Albert.

Services are held Sunday evenings in the Namao United Church and all interested families in the district are welcome to attend at 7:30 p.m.

The Namao 4H buttons and Bows Clothing Club held their annual Achievement Night in the Community Hall on April 29. The theme for

the program was "Sports" and Junior leaders, Audrey Gibson, Terry Unrau and Debby Rye provided some lively action with their sporting antics.

All members took part in the fashion show, modelling garments they had made. A delightful program of their year's activities was followed by the presentation of awards. The Efficiency winner for the year was Debby Rye. Best 1st unit members - Bernadette Huber and Lori Pederson; Best 1st unit project book - Bernadette Huber; Best 2nd unit member - Joanne Strong; Best 2nd unit project book - Margaret Forest; Best 4th unit member - Laurie Jefferies; winner for the year was Debby Rye.

Janet Gibson; 2nd place - Lanny Robertson; winner Jr. public speaking - Margaret Forest; 2nd place - Susan Craig; best demonstration - Denise Powell and Myrna Vaulchik; 2nd best demonstration - Janet Gibson and Michelle McLesch; best sewn article - Lanny Robertson; 2nd best sewn article -

Heather Mitchell; best overall project book - Wendy Bowman; best display by parents - Marianne Mickelson; best display of theme - Betty Gibson; Miss Buttons and Bows - Marianne Mickelson.

The girls presented their leaders Mrs. Marilyn Robertson, Mrs. Betty Samls and Mrs. Marilyn Stanton with gifts of a Mugho Pine and thanks for all their help. Mrs. Norma Clark, judged the projects and brought the girls some helpful comments on their displays and sewing. Pianist for the program was Mrs. Barbara Crozier.

The evening came to a close with a delicious lunch of hot dogs and cake to complete another very successful year.

Next meeting of 4H buttons and Bows Club will be held at the home of Terry Unrau on May 21. This will be the last meeting of the year.

The Namao Art Club held a wine and cheese wind-up party at the home of Mrs. Donald McLay last week. With their instructor Doris Coutts, the ladies completed a very successful 12 weeks of painting lessons.

Mrs. Warren Gauthier has returned from holidaying at Palm Springs, she was accompanied by her sister, Mrs. Art Brimacombe.

Coronado to form community league

A meeting of interested citizens was held Monday, April 29 at the Coronado Hall to discuss recreation facilities in the community. Mr. Carl Royan, recreation superintendent of Sturgeon was present to explain assistance programs available through the MD of Sturgeon office. Representatives from many of the groups presently using the hall spoke of their requirements. When it became evident that it is necessary to have an organization to co-ordinate activities, plan facilities, raise funds and administer grants, the de-

cision was made to form a community league.

A committee to initiate official incorporation of the league was set up with committee members John St. Nicolas, Jim Tidsbury, Charley Westra and Sandra Petry. Another committee to set up priorities for facilities development was estab-

lished with committee members Earl Briggs, Annie Chipchar, Alx Morrison and Jim Tidsbury.

It is expected that the new Coronado District Community Association will be chartered in time to arrange development of a baseball diamond and a water system at the hall this year.

BILLBOARD

Hockey supper held at Gibbons

The Gibbons annual hockey supper was held April 30 in the Community Hall. A delicious roast beef supper was served to the 220 people present.

Master of ceremonies for the evening was Tim Yeo. Guests at the head table were: Mr. Wilf Oliver, winner of the years Senior Citizen award and also a member of the Village council; Mr. Gerald Kipling, coach of the shavers. Mr. Neil McLean, coach of the mites; Mr. Norman Epp, coach of the peewees; Mr. Will Mabbutt, bantams coach and filling in for the midgets coach Willy Roleman who was unable to attend was Roger Pelletier; George Fraser Seniors coach and the master of ceremonies represented the Gibbons Hotel Indians.

Mr. Earl Toane gave a talk on the progress of the arena and urged everyone to do their share by either walking or sponsoring walkers in the walk-a-thon on Saturday, May 11.

The following awards were presented to the boys:

Shavers: most valuable player - Chris Smith; highest scorer - Darryl Hunt.

Mites: most valuable player - Goalie, Glen Thomson; H.S. Rollie Dykstra.

Peewees: M.V.P. Goalie Wayne Schwanke; H.S. a tie Shaun Kerr and Donald Epp.

Bantams: M.V.P. David Fraser; H.S. - Ward Mabbutt.

Midgets: M.V.P. Ricky

Stewart; H.S. Billy Kerr. Seniors: M.V.P. Goalie - Paul Gaumont; H.S. Ray Belair.

A special award given by the wives and girlfriends of the team for the most liked player went to Lockey Christie. The Hotel Indians didn't award any trophies as it was their first year and also they had no trophies to give.

A very special thank you to the ladies who cooked the food and did the setting and clearing and washing of dishes especially to Mrs. Jeanette Petherbridge and Mrs. Eula Mabbutt.

A special thanks to the men who take the time to coach our boys, several who have no sons of their own such as Andrew Hood, coach of the peewees and Willy Rolleman of the midgets.

Get well wishes to Mr. Cliff Davidson, Alex Roberts at the Ft. Sask. General Hospital and Vivian Onushko at the Edmonton General Mr. John Fraser and Jim Petherbridge at the Royal Alex in Edmonton.

Mr. and Mrs. Jack Hogg have returned from a weeks holiday in Los Angeles, California. They attended an Expo and Dodger ball game while there and enjoyed it immensely.

Glenn Mabbutt and Louis Morin have returned from a two week trip to Montana Nevada and Idaho. Mr. and Mrs. Tom Coley have returned from their winter's stay in Phoenix, Arizona.

GUIDES WINTER CAMP

On the weekend of March 22-24, 1974, Girl Guides, 1st Gibbons Company, held a winter camp at the Coronado Church with 24 out of 25 girls checked in by 7 p.m. Friday evening. By 8 p.m. the girls had their bedrolls laid out and everything cleared before Mrs. Melnychuk arrived to show the girls how to make crosses out of burnt wooden matches which the girls caught on to quite quickly and soon had their own little crosses made.

Saturday proved to be a very full day with Mrs. McIntyre and Mrs. Chipchar arriving to instruct the girls on how to do plaster of paris craft plaques. The girls were divided into two groups with one group receiving instructions in the morning and the other group in the afternoon.

At 8 p.m. Saturday evening Mrs. Briggs showed the girls how to "plant a bottle" which proved to be quite interesting and rather eye catching, as different little plants were put into the bottom of a bottle in about one inch of dirt, sand and charcoal.

After campfire that evening which included songs, skits, and speeches, the girls settled down after a fulfilling day.

Sunday morning at 10 a.m. Mrs. Gibbons conducted a "Guides' Own" service and by 11 a.m. the girls had all departed after a very enjoyable weekend, I'm sure.

The Legal Playschool completed their year at a wind-up program last Thursday which attracted about 200 local people. The morning class of Mrs. Lucienne Montpetit are, back row: Lenny Pelletier, Jamie Frank, Gregory Doblanko, Armand Eglauer, Noel Newell, Robert Prefontaine and Dion Pelletier. Front row: Cal Golder, Lee-Ann Stephenson, Leisa Bruce, Colleen Zilinski, Karen Maurier and Melissa Zilinski.

Afternoon class of Legal Playschool who had their final program for parents last week and also joined the morning class in entertaining at the opening of the Senior Citizens Centre on the weekend. Back row: Larry St. Martin, Richard Tremblay, Gerald Montpetit, Gilbert Montpetit, Richard Cyr, Claude Bessiere, Daniel Caouette, Mme. Gaetane Champagne. Front row: Roland Gagne, Christine Tieulie, Suzanne Ouellette, Carol Casavant, Denise Brisson and Paulette Chauvet.

Sturgeon announces beginners program

Sturgeon School Division No. 24 has released dates for the holding of its orientation-readiness program for children commencing school at the beginning of the fall term. The program, which permits children normally starting school in the fall to attend school for a two-week period in June, will run from June 10 to June 21, dates inclusive. This year's grade one classes will be dismissed on

the 7th of June.

This program, known as the Beginners in June Program, has been in effect for a number of years and has been widely accepted by parents throughout the Division. The objectives of the program are to develop, through close liaison between parents and teacher, an earlier readiness maturity in children than might otherwise be done in a two-week period commencing at the beginning of the fall term. It also permits the teacher to identify students with particular social and emotional problems or with physical defects and provides a two-month period in which assistance can be obtained to minimize or correct these. Some emphasis is placed on the identification of areas of immaturity and help is given to parents in assisting their child's growth in these areas. The program strives to utilize time more effectively in that it is felt that two weeks of readiness activities in June followed by a two month vacation period brings about a higher level of learning readiness than does a two-week period commencing in September.

Any child who will be six years of age prior to February 28, 1975 is eligible to start school this fall and hence may be enrolled in the Beginners in June program. Parents interested in registering their child in this program may do so by phoning the office of the school in the attendance area in which they reside.

Alphonse Trottier passes

Alphonse Trottier, a resident of Morinville over the past 54 years died on April 24 at the age of 87 years. He leaves to mourn his wife, two daughters and one granddaughter.

Mr. Trottier was born November 9, 1886 at Three Rivers, P.Q. and was educated at College St. Louis, Montreal. He came to Calgary in 1905 and was married there on August 27, 1913, to Valeda Cormier.

After farming for 10 years at Carstairs and Morinville he became a milk rancher in Morinville and also was postmaster there for over 27 years. He gave up milk ranching in 1961 after 33 years and retired from the Post Office in 1953.

The Trottiers celebrated their Diamond Wedding Anniversary on August 27, 1973, in the intimacy of the family.

Frontier Days honors senior citizens

By Flo McGinnis

The 1974 edition of Morinville's Frontier Daze is now in the mid stages of planning, and it appears that this year will be one of the biggest and best so far.

The theme for 1974 is "A Salute to the Senior Citizens of Morinville and District". This theme has been well chosen since, if it were not for the senior citizens of the area there would not be any base on which to begin the large project that is currently underway in the town of Morinville, namely - Artificial Ice and a sports complex. Over the years it has shown up again and again that it was our senior citizens who have made everything we now have, or will have, possible.

The date for Frontier Daze is, of course, June 22 and 23 and everything will get underway with the big Street Breakfast as in past years. Then the parade gets underway, to be followed immediately by the opening of the grounds and all that goes with the two day celebration.

One new event that will be added this year is a tug-o-

war contest. During Rec Fest '74 this proved to be a very delightful spectator event, and even if the Volunteer Fire Dept. didn't win, we're pretty sure they will be back to give it another 'go.'

Further to the above - ANY and ALL clubs or organizations in the area are invited to attend, and to do their utmost to win the trophy that is being put up. Let's see who has the strongest and best team!

Another event new to Morinville will be the cycle racing for young people. There will be an approximately 10 mile course laid out, and this should prove to be an interesting stamina test for our teen-agers.

Canoe races for Ladies-Men-Teen-agers are also definitely going ahead this year. Plans are to hold the races at Heritage Lake around noon (after church services) on Sunday, June 23. Applications for any of these events will be taken even this early. You may contact one of the Frontier Daze Association executive.

As in years past, there will be two (2) dances held on the Saturday night. One for teen-agers, and one for adults.

So, as we said, it appears that this 1974 edition of Frontier Daze seems to be shaping up to one of the biggest and best yet.

CARD OF THANKS

We wish to express our sincere thanks to dear friends and neighbors for their many expressions of sympathy during our bereavement in the loss of our son and brother Roland. Your messages, flowers, masses and many acts of kindness are deeply appreciated. Special thanks go out to Father Cunningham, the choir and altar boys, Cactus Macdonald, Marcel Berube and all who attended prayers and the service.

THE BERUBE FAMILY.

Cyrille and Anna Cloutier prepare to cut their anniversary cake on their Diamond Wedding day, at a reception in their honor in the St. Albert Roman Catholic Church.

Cyrille Cloutiers honoured on Diamond Wedding Day

A Diamond Wedding Anniversary is always a special occasion, and the children of Mr. and Mrs. Cyril Cloutier of St. Albert arranged a happy and most appropriate celebration for their parents on Easter Sunday, April 14.

The couple renewed their marriage vows at a special mass at two o'clock, conducted by Father Jacques Joly. They were accompanied down the aisle by the only sister of Mrs. Anna Cloutier, Mrs. Alice Desrochers, and Mr. Cloutier's only sister, Mrs. Maria Rousseau. Mr. Cloutier also has a brother, Alexis, in Quebec, who sent beautiful flowers. A great grand-daughter,

Cindy Leclaire sang the 'Our Father' and other special music was by a son-in-law Victor Douzlech, and Sister Pepin and Sister Prince. Scripture reading was given by Paul Cloutier.

Ray Cloutier was master of ceremonies for the reception that followed, when all the family were there: Paul and his wife Tavia, Jeanne and Vic Douzlech, Louise and Alberle Laforce, all from Legal, Lucienne Mahe and Alma and Arthur Laforce from Edmonton, Gertie and Fred Roy from Prince George, B.C., Henry and Lawrence, Fernand and Mariette and Germaine and Lionel Roy, all of St. Albert; Hector and Terry from Edmonton, Rita and Frank Sale from Morinville, Irene and Roland Caouette of Prince George, and Ray and Judy from Calgary. One son passed away in 1948.

A bouquet of deep red roses and a lovely engraved clock, bearing the anniversary date were presented to the honored couple by Elaine Cloutier and Joanne Sale, on behalf of the family.

Irene Caouette gave a sincere and moving tribute to her parents on behalf of all the family, expressing their appreciation and thanks to parents who had done much for them, and in particular for the fine example they set. The tribute was presented in written form afterwards, on a scroll.

Gertie Roy read a telegram of congratulations from the Queen and the MC read other messages from Prime Minister Trudeau,

Opposition Leader Robert Stanfield, MP Marcel Lambert and Premier Peter Lougheed. Mayor Gibbon presented a beautiful plaque and brought congratulations from the town, and MLA Ernie Jamison offered best wishes and congratulations.

A long time friend, Mr. Uldrich Franche, had some anecdotes about Cyril and Anna over the years and also paid tribute to the couple for their good example and community involvement. Father Joly spoke on behalf of the Parish. The program was interspersed with musical selections, including a solo by Victor Douzlech.

At the supper following the reception, Yvette Starko proposed a toast to the Cloutiers on behalf of the grandchildren and great grandchildren. Over 200 people enjoyed the supper and a larger number attended the reception.

Mr. Cloutier was born in 1891 at St. Albert, Ontario, the son of Joseph Cloutier and Eglantine Charlebois, who were farmers. He and his two brothers and a sister came to St. Albert with their parents in 1906. He

established a farm at Pickardville in 1911 and was married on April 14, 1914 to Rose Anna Cote in St. Jean Baptiste Church in Morinville.

Mrs. Cloutier was born in St. Francois, County Brompton, P.Q., the daughter of Ferdinand Cote and Adeline Huot. Her father was a carpenter and she was one of a family of seven, six sisters and one brother. They came to Massachusetts in 1895 and then to Morinville in 1909.

In 1920 the couple moved to a farm northwest of Morinville where they farmed until retirement in 1959, when they moved to St. Albert at 3 Mont Claire Place. Last year they moved into Youville Home.

Mr. Cloutier served as a church trustee for 32 years 30 years as a school trustee. Politics were always an interest and he was a census taker for 20 years. Mrs. Cloutier loved gardening and was an expert in raising flowers, in which she took much pride and satisfaction. She was also a member of the church choir.

Lorne Aikin students go to Quebec

Monday, May 6 was a very special day for 24 young people from Lorne Akins Junior High in St. Albert. These students are off to Lennoxville, Quebec, for a week of activity which will include tours and visits to various points of interest.

After arrival in Lennoxville late Wednesday evening the students are scheduled to be located in their billets. Thursday will consist of a day in the Alexander Galt Regional School which should give them an opportunity to experience Quebec School life.

Friday is scheduled to be a day of touring Lennoxville and area sites of interest and Saturday is set to be a day spent in the city of Montreal. Sunday is to be a 'free day' with their new Lennoxville acquaintances.

Before their return next Tuesday, they will also be going on a trip to Quebec City and a bus ride to Ottawa for a tour of that city. They are scheduled to be flying back to Edmonton at 9 p.m. Tuesday evening.

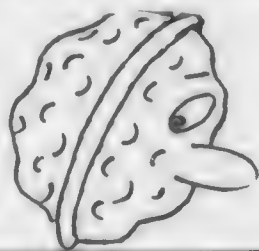

The students who are going are all pupils in Mr. Hugh Campbell's 'home-room,' Mr. Campbell, Miss Darlene Pechanec, and Mr. Larry Dick are going along as supervisors.

A group of Lennoxville students will be travelling to St. Albert on June 5 to complete the exchange. They will be staying until the 11th.

The Lorne Akins students who are participating in the exchange are: Patty Johnson, Jill Kampen, Chris Lang, Slobhan Burke, Susan Sawchuk, Susan Parenteau, Melody McMaster, Joanne Ledgerwood, Denise Fortin, Lynn Johnston, Jane Robertson, Vivian Dronyk, Carolyn Seitz, Karen Williams, Sandra Millman, Dean Wilson, Brian McCann, Danny Kennedy, Albert Zylstra, Trevor Mowbrey, David Boorse, Michael Parkin, Cliff England and Kent Middleton.

Off to Lennoxville, Quebec, students of Lorne Akins Junior High ham it up as they get on the bus which took them to the station.

ONE OF A SERIES

These pictures
were taken 44 years apart.

That's how long we've been
getting Albertans together.

When Aunt Mildred from Grassy Lake wanted to go to Cousin Sue's wedding in Red Deer, Greyhound got them together.

When Jimmy from Coleman left for university in Edmonton, he went on a Greyhound bus. Just like his dad when he left in 1939 to enlist in Calgary.

Greyhound has been getting people together in Alberta for 44 years and millions of passenger miles.

We serve most of Canada now. Our

routes stretch from the west coast deep into the east. But our roots are in Alberta, and we're proud of it.

Our first buses back in 1930 weren't much like today's Scenicruisers, but they did the job. Plowing through prairie snow, always on the go, even when the going got rough.

Today, the whole Greyhound system is managed from Alberta. But it's more than our head office province, it's home. Has been for 44 years.

Locals from Legal

By Lucienne Montpetit

Registration for swimming lessons will be held at the resident of Real Champagne, Wednesday, May 15 between the hours of 7 p.m. to 9 p.m. These lessons will be held on July 2 to July 12 inclusive. The lessons will be held at 8:45 - 9:30 a.m. at O'Leary Pool. Registration fee and bus fare is \$12 for two weeks, which will be paid at the time of registration on May 15. The first 50 pupils registered will be able to take the less-

ons. A limit of 12 in the age five - six years will be accepted.

Mr. and Mrs. Arthur Morin and Mr. and Mrs. Marcel Perreault are happy to announce the arrival of a grand-daughter, Mary-Ann Christine born on May 1, weighing 8 lbs. 3 oz. The proud parents are Marcel and Bonnie Morin. Remi and Carmen Morin will be godparents.

The Legal Girl Guides would like to extend their gratitude to Marcel Dube for making every effort in order to have Al Oeming come out with his film Land of the Black Bear. Special thanks to the Board members of the Community Hall for the use of the hall at no cost, and to the 400 people who braved the miserable weather to attend. The proceeds went to buy tents for the Guides.

Our local commissioner Mrs. Maurier encourages the Brownies to finish their golden hand in order to fly up. This will enable you to

go camping with the Guides this summer.

Mr. and Mrs. Dan St. Martin and Mr. and Mrs. Henri Brisson enjoyed their motor trip to Las Vegas, Los Angeles and Disneyland.

Mr. Victor Douzlech, Mr. Lucien Provost and Mr. Maurice Chauvet flew to Kansas to see some of the machinery to be purchased for the alfalfa dehydration plant.

Mr. and Mrs. Maurice Chauvet and family have moved back on their farm.

The concert presented by the playschool children drew a large crowd of 200 people. Twenty-six pupils graduated, Leon Brisson, president of the Rec. Board presented a diploma to each graduate.

On behalf of the parents and children, Mrs. Champagne was presented with a bouquet of flowers and a jewellery box. I was given a beautiful gold pendant watch and a bouquet of flowers from my pupils and the parents. This fine gesture was greatly appreciated.

Senior citizens centre opened in Legal

By Lucienne Montpetit

Club 60 Roses was blessed with beautiful sunny weather for the opening of their centre, and large crowds turned out for all the weekend activities planned for the opening.

On Friday evening the bazaar started off with a bang with people ready to buy some of the variety of articles and the lunch counter was busy as soon as the doors opened.

Saturday afternoon the cribbage tournament drew a large group of card players with Mr. Roger Cyr winning the A event and Rose Bilo-deau winning the B event.

Tickets were all sold in advance for the dance Saturday evening. Everyone was kept on the floor with the swinging music of the Starlites, including many of the older folk.

The rooms were complimented by lovely bouquets of natural flowers courtesy of business places congratulating them on their opening events.

At 2:30 p.m. Sunday, MLA Ernie Jamison cut the ribbon declaring the Club 60 Roses centre officially opened.

Walter Van de Walle, master of ceremonies, called upon Paul Montpetit, president of the club to welcome all the guests. Mr. Montpetit thanked everyone who helped, especially Mr. and Mrs. Dick Hunting who really

worked hard and put in many hours in order to realize the project. A dream has been realized, he said, but the project will go on over the years.

Mr. Dan Hollands, MP for Pembina presented the president with a flag of Canada for the club, and offered his congratulations.

Mr. Normand co-ordinator for the New Horizons program, MLA Ernie Jamison and Mayor Jos Nault extended their best wishes and congratulated the members upon the opening of their centre.

A variety program fol-

lowed which was enjoyed by all. A luncheon was served to the honored guests which concluded three fulfilled days at the club.

Mr. Van de Walle asked Mr. Jamison to draw the tickets sold on the raffle. The set of dishes was won by Mrs. Arsene Morin, Edmonton. Mrs. Henry Montpetit won the quilt and Joanne Morin won the razor.

The Club 60 Roses committee wish to express their sincere thanks to all who participated in the opening, making the success that it was.

Mr. and Mrs. Dick Hunting put in a massive amount of effort into a project which converted the old Legal school into a bright and spacious recreation and drop-in centre for the Senior Citizens of Legal and the Club 60 Roses. They were commended by Mr. Paul Montpetit on the occasion of official opening ceremonies Saturday afternoon.

FLOOD DAMAGE ASSESSMENT

Persons suffering flood damage are requested to register with their local municipal, town, county or improvement district administration office. These offices now have forms on which specific damages and losses can be listed.

These forms can be obtained from your local officials. Please complete and retain them. They will provide the listing that the assessing teams will use in estimating costs for damages and losses.

Clean-up is advised where inconvenience or danger is involved. Remember to retain damaged goods where possible. Records concerning property losses or work done will be valuable assistance to the teams.

PLEASE CONTACT YOUR LOCAL
MUNICIPAL OFFICIALS FOR
DETAILS.

SEASON'S TREATS

One of the nicest things about this time of year is its marvelous variety in fresh fruits and vegetables. Appetites really come alive at the sight of such favorites as big red-ripe juicy strawberries, bright orange-meated cantaloupes, thumpin' ripe luscious watermelons, and plump golden-kerneled sweet corn. These are but a few of the season's treats awaiting you now at Safeway. They're rushed here from fertile growing areas all across the land, priced to save you money!

MORINVILLE MEMOS

By Flo McGinnis

A general meeting of the Morinville Playschool Association is being held Wednesday, May 22 when registration of children will be taken.

Under the Early Childhood Assistance grant made available for the playschool, parental involvement is a firm requirement, and to receive the full grant for the 1973-74 year the playschool must have a designated number of parent hours. Parents are involved in administration, program planning and providing nutritious snacks. It is important that there be a good turnout.

The Parish Council is holding a Mother's Day communion breakfast on Sunday morning, May 12. The breakfast is put on by the men of the parish, and mothers are admitted free.

The Morinville Recreation Board has their Pedal Pusher Club underway now, with a Master Rider Group plus a Precision Team. The latter is practicing for the Frontier Daze Parade coming up June 22.

With this being Anti-Litter Week in Morinville we notice that 'some' areas are taking it to heart and really spiff-

ing up the place, while some of our residents are a little slower at getting started. Oh well, there are still a few days left to get the clean-up done!

The George P. Vanier Spring Prom '74 will be held on Saturday, May 25 beginning at 9 p.m. The Recreation Centre will be the scene of all the action this year. There will be an enjoyable formal/semi-formal evening of dancing, the introduction of this year's Grade 12 students, followed by a midnight buffet supper. Dancing will resume after the supper and continue till 1 a.m. An invitation has been extended to everyone to come out and enjoy this Spring Prom. You may obtain tickets from G. P. Vanier High School or phone 256-3149.

Tuesday, May 21 is the date set for the next meeting of the United Church Ladies Aid. The meeting will be held at the home of Miss V. Weiss, commencing at 8 p.m. Any interested ladies, especially newcomers to town are invited to attend. You may call Jean Robinson at 256-3153 for details.

Had word from the Frontier Daze Association that they are looking for Tug-of-War teams to enter their new event planned for Frontier Daze celebrations. So far, we understand that the Legion members in Morinville are, so far, classed as the strongest team!

M.Y.R. ELECTS NEW EXECUTIVE

Thursday, May 2 saw the annual meeting of the Morinville Youth Recreation Club, at which time a new executive was elected. To serve one year terms the following students were elected: Rick Anderson - president; Marilyn Troch - vice-pres., and Louise Manasterski - sec. treas. Heading up the three main committees will be - Julie Himm-schoot, concessions; Aline Remillard, social; and Collette Gibeau, advertising. The club was organized in 1966 as a social club primarily to carry on enjoyable social events at which the teen-agers could get better acquainted and 'relax' from the normal school activities. The main fund-raising activity that the new executive has planned is the big Bike-a-thon that will be held Sun-

day, June 2. There will be approximately 30 young people taking part, and very shortly the business people of the town will be asked to sponsor one or more of these 'bikers' at so much per mile. President Rick Anderson says that those taking part in the actual bike-a-thon will be 12 years and older, and he hopes that the rain stays away (it rained out the event last year).

Altogether there are only about 18 ACTIVE members in the M.Y.R., but when they hold one of their dances the turn out is always high.

Some of the activities that are planned for the year are: Sock Hops, Dances, Bingos, Car Washes, a Dance-a-thon Roller Skating, and a Clean-up at Heritage Lake. The latter appears to be an excellent project, and the Recreation Board has invited the executive to sit in at the next Rec meeting to fully discuss the matter.

Regular meetings of the M.Y.R. are held on Wednesday evenings at 7:30 in the Recreation Centre and everyone is welcome to attend. It should also be mentioned here that one project that they hope to get organized is an "Adults' Day" which would be primarily to get adults acquainted with, and involved with the Youth of Morinville.

CENTRAL STURGEON AGRICULTURAL SOCIETY

YES, the headline WAS incorrect! My phone rang off the hook as soon as the last issue of the Gazette was published, and it got so that I automatically said "No, the total price of the project is NOT \$2,500, but rather - \$250,000." Besides, a great number of people should know that you can't do anything with only \$2,500!!

The fund raising drive is now underway, and so far the canvassers have met with fairly good response. For those of you who have the extra bucks right now, you can go to either of the lending institutions in town and deposit your donation to "Artificial Ice Fund."

At the moment, the CSAS is selling raffle tickets on a "800 - 1,000 lb. Live Beef." Sounds pretty good, especially at this time. The draw will be made at the final night of Frontier Daze, June 23. The tickets show that the beef is being donated by the Morinville Auction Mart, and that there will be only

Noted arctic film coming to Morinville

Residents of Morinville will have the opportunity shortly of seeing one of the most unusual and complete films ever produced on the Canadian arctic and sub-arctic regions, even including a white whale hunt with the eskimos on the arctic coast. The color motion picture entitled "Arctic Canada" was taken by well known naturalist-photographer Edgar T. Jones and required six years to complete. Showing in cities and centres throughout western Canada since last fall, over 25,000 western Canadians have seen the production. In Edmonton's Jubilee Auditorium

three showings were attended by some 6,600 people and the films reception has been exceptional in all centres.

"One of the most thrilling experiences of my life" is the way Mr. Jones describes his participation in an eskimo whaling expedition. Living with the eskimos, Mr. Jones had first hand opportunities to photograph the ways and lives of the eskimos, their children, and their humour. Over the past few years he has filmed his sequences in Tuktoyaktuk, Inuvik, Aklayik and many other northern settlements.

1,200 tickets sold.

Future fund raising activities planned for later this year are - a Farmers' Market, Beer Garden, Car Bingo Baseball Tournament, plus a few smaller ideas now in the planning stages.

So, with this in mind, plus the correct goal of \$250,000, you can see that the CSAS has a real job ahead of them. However with the help of all interested Town and District residents, it surely will succeed.

The film in two parts shows the Hay River and Mackenzie River areas and Forts located on the banks and then through the Mackenzie Delta past Reindeer Station up to Tuktoyaktuk and some of the Arctic Islands.

"Arctic Canada" will be shown at Georges P. Vanier School on Friday, May 10 at 8:15 p.m. Tickets may be purchased at the school. Proceeds to Morinville Student Exchange.

Report from Bon Accord

By Sadie Allen

298-2362.

The Bon Accord Lions Club has got off to a most promising start with 19 on the roster. Meetings are held the first and third Wednesdays of the month with the first meeting being a supper meeting and the second meeting being devoted to work projects. The Club has several worthwhile projects in the offing, one of which is the acquisition of an ambulance for the First Aid Emergency Brigade. Also on tap is the formation of a Teen Club with the Lions as sponsors and care of the cemetery, a former Lion project, which has been taken on by the guides. The club is hoping to acquire the old rink shack which will be moved to the recreation area and converted to a Lions Den. Best of success to the Bon Accord Club. For information, call Dave Latta at 298-3615 or Taras Ferbey -

A shower honoring Miss Ann Ross, fiancée of Mr. Tom Carleton was held at the home of Mrs. Don Bland on April 29. Ann received many lovely gifts. Following the opening of the gifts, lunch was served by co-hostesses, Edith Kowalski and Margaret George, assisted by Shirley and Linda Bland.

A nice group of parents were present at the Enrollment of Guide and Brownie Local Association and the Brown Owl held at the Bon Accord Community Centre on April 29. A welcome address was given by Dist. Comm. and Guide Captain, Mrs. Donna Gorringer. This was followed by a procession of brownies and guides carrying lighted candles. The girls formed a trefol. Two girls then escorted Mrs. Ca-

thy Meyer to the centre to be enrolled as the new Brown Owl. After repeating the Guide Promise she was enrolled and received her tenderfoot pin making her a member of the Sisterhood of the Girl Guides of Canada. She was congratulated by Mrs. Gorringer and Guide Lieut. Mrs. Roseanne Lewis. Each member of the Local Association executive was then escorted to the centre to repeat the Guide Promise, receive her L.A. executive pin and be made member of the Sisterhood of the Girl Guides of Canada. Each was presented with a Girl Guide teaspoon. The executive are - Pres. Mrs. Darlene Lehman; v.p. Mrs. Cindy Fenwick; sect. Mrs. Eileen Schiffner; treas. Mrs. Eileen Malanchen; Badge sec. Mrs. Elsie Belzlik. Badges were then given out to the Brownies - Linda Kushak, puppeteer, interpreter, signaller and jester; Sharon Belzlik, signaller, singer and cook; Maureen Hewitt, signaller, crafts and housekeeper; Sandra Lehman, signaller and cook; Janice Fenwick - Golden Hand and writer; Michelle Fisher - cook; signaller and housekeeper. Christina Kushak - cook and housekeeper; Kelly Webster, signaller, housekeeper, crafts, and cook. Also receiving there signaller badges were Lorraine Campbell, Kelly Hetman, and Lorelei Donaghue. Guides receiving badges were Terry Campbell, Susan Moore and Lori Gorringer - snowshoe badge; Betty Kushak and Valerie Millwood - Public speaking; Karen Bjerke - snowshoe, cook and public speaking; Cathy Malanchen - baker and Brenda Schiffner - snowshoe and laundress. The Brownies and Guides entertained their

guests with a performance of their Fairy Ring, a song and a portion of the Guide Campfire Circle. The girls were joined by their leaders and Div. Com. Mrs. Helen Lesyshen for Taps. The evening ended with the girls serving coffee, tea and cookies to their guests.

Get well wishes are extended to Frances Ketter in Sturgeon General.

Bingo crowds continue to thrive. The jackpot this week is \$85 in 52 numbers. Winners of the Bonanza Bingo for last week was Donald McKay and this week Mrs. Eileen Rosen. Bingo is held every Sunday evening at 7 in the Bon Accord Community Centre.

The Brownies and Guides blitzed the town of Bon Accord and some of the surrounding district on May 4. The girls wish to thank everyone who bought cookies, their drivers and those whose homes were distribution and collection points.

MILES FOR MILLIONS WALK

First Bon Accord Girl Guides Karen Bjerke, Valerie Millwood, Brenda Schiffner and Wendy Lewis helped take care of feet on Sunday, May 5 from 10:30 a.m. to 3 p.m. at Northgate Shopping Centre checkpoint. The girls were under the supervision of St. John Ambulance Bon Accord branch.

**SULPHUR
IN YOUR
WATER?**

PHEW!

Sure we know how it reeks... how that rotten egg odor clings to your mouth... how sulphur corrodes pipes and pumps causing expensive repairs... how it blackens your good silverware. We know iron with sulphur makes ugly 'black water'.

Well, getting rid of sulphur forever is just a phone call away... ask us to demonstrate right in YOUR kitchen on YOUR water the famous EVERPURE Water Correction System. After we remove the sulphur, you'll marvel at how clear, fresh, and good-tasting your water can be. Your own eyes and taste will prove our point. And all installations are guaranteed. Call us without obligation today. You'll certainly be thankful you did.

Carleton - Ross Wedding

By Samie Allen

On May 4, the chapel at CFB Penhold was the scene of a double-ring ceremony which united in marriage Tom Carleton, son of Mr. and Mrs. Bill Carleton of Bon Accord and Ann Ross, daughter of CWO and Mrs. David Ross of Mynarski Park. The bride wore a long dress of white crepe with lace trim and a shoulder length veil. She carried a bouquet of pink roses. Attending the bride were maid of honor Miss Donna Brown of CFB, Penhold and bridesmaid Miss Penny Carleton, sister of the groom. They wore blue flopped mylon gowns and carried bouquets of white daisies and blue bachelor buttons. Attending the groom were his brother Kirk and Mr. Jerry Clark of Brandon, Man. Ushering the guests were Dan Morris and John Cuthbertson.

A reception and dance fol-

MR. & MRS. TOM CARLETON

lowed in the lower lounge of the WO's and Sgt.'s Mess. Special guests were the bride's grandmother, Mrs. William Ross of Glenhouse, Nova Scotia, and her aunt, Mrs. Phyllis MacNeil from CFB Chatam, Ontario. Other guests included the groom's grandparents, Mr. and Mrs. Geo. Carleton of Bon Accord and Mr. and Mrs. M. Gervais of Edmonton. The young couple will make their home in the Bon Accord district until late July when they will leave for Fort McPherson, Northwest Terr. where Tom has accepted a teaching position.

News from Gibbons

new members are: Mrs. S. Lamoreaux, Mrs. P. Wand-ler and Miss Connie Wreggitt. Miss Wreggitt is also the assistant librarian.

Librarian, Pat Walmsley informed the Board that there are now over 3,000 books in the library with 92 members. This is a very small percentage of the vil-lage population, and every-one is urged to come down and see the library. People may be surprized at the selection.

The library received 200 books from the Canada Coun-cil, which are not yet all on the shelves. Also, a book grant from the Dept. of Youth Culture and Recreation of \$438.90 was received on Tuesday. This money will be spent on The World Book Encyclopedia in part. If there are any books you would like to see on the shelves, please let Mrs. Walmsley know. Starting June 15, 1974, Saturday's library hours will be changed to 10 a.m. to 12.

If you are interested in becoming a library board member, please phone 799-9149 or leave your name at the library.

The next board meeting will be held in September.

ATTENTION COUNTRY AREA- GIBBONS

Please bring in your pap-ers, catalogues, magazines and old office files to the paper bin located next to the Village office. Let's all support our Guides, Brown-ies and Rangers. Ask your friends to save them, too. The paper bin is open Mon-day to Saturday, 9 a.m. to

6 p.m. Anyone in the Village needing a paper pickup, please call 799-9101 or 799-9387, and arrangements will be made to pick them up regularly if necessary.

A special "thank you" goes out to all who helped with the paper drive in March

A reminder to anyone that has not picked up their flow-er seeds at the village office. Mixed flower seeds have been purchased for every taxpayer in the village. Please pick them up during office hours.

Now that the snow has gone (?) we once again see Gibbons in its true light. Last year's weeds, garbage and papers blown up against fences and buildings. Empty buildings, old machinery and boards laying around that haven't been moved for years. Besides being unattractive, they also present a fire haz-ard. Lets get these empty lots, business premises and yes, even private yards clea-ned up. Its amazing how a day's work on every one's part will improve the looks of the town. Plus all that fresh air is VERY good for your health.

Let's get with it so we can all say, and mean it - "I'm proud to live in Gibb-ons."

A meeting will be held on Wednesday, May 22 at 7:30 p.m. for all parents who will have youngsters eligible for the beginners in June pro-gram. Please bring your child's birth certificate to the meeting. Children must be six years old on or be-

Adverse weather damage compensation for crops

Re-issued from the District Agriculturist's office

Alberta farmers will receive compensation from the provincial government for 1973 crops lost due to snow and flood damage said Agriculture Minister, Dr. Hugh Horner.

Where no crops can possibly be salvaged, government will pay \$3 per acre for the first 100 acres and \$20 for the next 100 acres. The maximum compensation per farmer is \$5,000 with a maximum acreage being 200.

Dr. Horner urges those farmers who can, to harvest their crop. But, before a farmer begins to harvest a crop eligible for compensation, the applicant should first have the fields inspected by the local Agricultural Development Corporation assessor. Compensation will be paid on the basis of \$30 per acre for the first 100 acres and \$20 for the next 100 acres minus the value of the harvested crop. If the value of the crop exceeds the compensation level, applicants will not qualify for compensation.

Applications can be obtained from district agriculturists' offices, county, MD and ID offices. Applications will be reviewed by the local Agricultural Development Corporation Advisory Committee. Crops will be inspected by the assessor appointed by the committee.

Farmers are expected to absorb the initial loss of 20 per cent of the total acreage seeded to crop purposes in the spring of 1973 as shown on Canadian Wheat Board permit books. The eligible seeded acreage includes cereals, oilseeds, and legume forage seed, but cereal hay and silage are excluded.

Applications from farmers must be completed and returned to the local district agriculturist's office by May 15, 1974, if possible. Compensation payments will only be made to farm operators.

Crops pastured by livestock, prior to inspection by the assessor, will be considered harvested and the

assessor will make a best estimate of crop value. The farmer will be compensated accordingly.

Migratory waterfowl and wildlife damage will be considered on the same basis as snow and water damage, but the farmer will not be eligible for compensation on those acres on which the applicant has received or made application under the

"Wildlife Damage Fund."

Where farmers have already received "Emergency Crop Program Loans," the money forthcoming from the present program will be applied against the Emergency Crop Program loans at their bank. Compensation in excess of the loan will be applied to the farmer's bank account.

Have a happy Mother's Day

By Pat Doerksen,
District Home Economist
MOTHER'S DAY

Yes, once again the day to honor mothers has arrived. Thought this bit of wisdom was rather timely.

IF WE WERE SEVEN
In this age of efficiency, husbands are prone to remark: "If you would just put the household on an efficiency basis..."

When I attempt to draw up an efficiency schedule, I realize that the average country home needs Seven Mothers.

Mother No. 1 would have charge of marketing, cooking, baking, planning menus, serving meals, packing lunches, washing dishes, canning and jelly making, and the care of the kitchen.

Mother No. 2 would do the washing, ironing, mending, cleaning and pressing, airing, and putting away.

Mother No. 3 would sweep, scrub, dust; wax floors and polish furniture; keep windows shining; clean closets, cupboards, and dresser drawers; make the beds.

Mother No. 4 would take care of the children; their formulas and feeding, baths, naps, training and discipline recreation.

Mother No. 5 would have the care of the garden and the yard; raise the chickens, gather and market the eggs; take care of the milk, milk house and equipment and churning. She'd gather the fruit and vegetables, care for the domestic animals.

Mother No. 6 would belong to P.T.A. and the Mothers'

Club, serve on committees, teach a Sunday School class work for the Red Cross, and write letters.

Mother No. 7 would be a pal and helpmate to her husband - help him in his business, entertain his friends, attend social events, listen to his problems.

Each of these mothers would have a full-time job, with little overlapping of work.

"But who would have the babies?" I hear somebody say. It's doubtful that the efficiency system would give any of the seven mothers time for that. Having babies is a full-time job in itself--a job which the poor, inefficient, average homemaker manages to squeeze into her many-sided program, for all her lack of system.

Have a Happy Mother's Day.

Know your wireworms

Re-issued by Wally Klatt,
District Agriculturist

Wireworms are shiny, hard-bodied, slow-moving insects that vary in color from reddish brown to yellowish white. They may be distinguished from other insect larvae by their flattened and notched "tails."

Four common species of wireworms damage crops in Alberta. The two most widespread and destructive species are the prairie grain wireworm, a large, straw-colored larva about 5/8 to 7/8 inch long at maturity, and a small yellowish white species (3/8 to 1/2 inch long) with no common name but with the scientific name *Hypolithus bicolor*. Both species commonly infest light to medium dryland soils as well as irrigated sandy soils, but they are infrequent in heavy soils.

The sugarbeet wireworm is large, yellow-brown to reddish brown, 5/8 to 7/8 inch long when mature. It is usually found in moist, low-lying alkaline soils. Its numbers also increase under irrigation where it can be an important crop pest. The least important of the four species, the flat wireworm, is small (1/2 to 5/8 inch) and creamy white with a reddish brown front portion.

Growers may confuse other common insect larvae found in cultivated soils with wireworms. Cutworms, the larvae of moths, are thick, soft-bodied insects that curl up when disturbed. They cut

off seedling plants near the soil surface.

Some soils contain numerous long, slender larvae of *Therevid* flies. These legless "worms" are white with small brown heads. They wriggle and twist energetically when disturbed. They do not harm the crops, however, and are predators of other soil insects.

A third group often mistaken for wireworms are the larvae of black ground beetles. These larvae are very active black or white grubs with well-developed legs and strong jaws. Many of them feed on cutworms, wireworms, and other insect pests.

A fourth group are the larvae of a small dung beetle. They are small white grubs with brown heads and with their bodies bent in the shape of a "C". They are harmless to crops, although they may be numerous in land to which manure has been applied recently.

Growers should use a magnifying glass to examine any questionable soil insects and should also observe their behavior. With practice, they should be able to distinguish wireworms and other common soil pests from harmless insects. Such knowledge would discourage "panic" treating and save time and money. Additionally you may have these insects identified by the District Agriculturist.

The above information was received from the Lethbridge Research Station.

Farm fuel allowance

Re-issued by Wally Klatt,
District Agriculturist

A distribution allowance on marked fuel has been announced jointly by the Hon. Gordon Minieley, Provincial Treasurer, and the Hon. Dr. Hugh Horner, Minister of Agriculture, to relieve farmers from rising fuel costs.

The ministers said the distribution allowance of five cents per gallon for fuel used for farm purposes will come into effect May 1, 1974. This will result in cushioning farm fuel price increases when and if they occur.

In making this allowance the government recognizes the importance of energy inputs to food production.

Higher energy costs for farmers would be reflected in consumer food costs, points out the ministers.

The cost of a one cent per gallon rise in fuel price at the present consumption rate would add approximately \$2,000,000 per annum to Alberta farm costs. Eventually the cost is reflected in the price of food products.

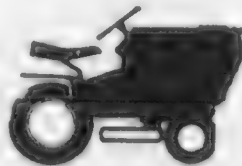

The benefits of distribution allowance will be passed directly to the farmer. The allowance will be administered by the Fuel Oil Tax Branch of the Treasury Department through regular mechanisms of the taxing system.

Yellow plant leaves

Re-issued by
Wally Klatt's office.

Are the leaves of your fruit trees or roses yellow instead of bright green? If so, the plants are suffering from chlorosis. The yellowing may be caused by disease organisms or by different mineral deficiencies but the usual cause is lack of iron, which is required for the formation of chlorophyll. The characteristic symptom of iron chlorosis is a yellowing of the leaf with the veins remaining green.

In southern Alberta and in much of the North American plains, the yellowing is most prevalent in areas where soils have a high lime content. Most fruit plants and many ornamental species, particularly members of the rose family, are very susceptible to the disorder.

Spraying the foliage of affected plants with a dilute solution of iron compounds will restore the green color but the sprays must be repeated during the growing season. Most attempts to control chlorosis by injecting iron compounds into the stems, roots, or branches have been unsuccessful. Similarly, additions of iron filings to the soil and driving iron nails into plant stems have not been effective.

The Lethbridge Research Station tested a series of organic chemicals known as "iron chelates" for foliage sprays and as soil amendments. All of these chemicals, when used as foliage sprays, were effective in restoring green color -- temporarily. Two chemicals alleviated chlorosis for up to two years when applied

to the soil. However, only one of these, Sequestrene 330, is available commercially from garden supply centres.

Severely yellowed plants should be sprayed with a dilute solution of the chemical to obtain quick results. The results from chemical applied to the soil will show up later than those from the spray. Soil applications of liquid or powder must be thoroughly watered into the root zone.

A word of caution: When iron compounds are used as sprays, the actual iron concentration should not exceed one per cent. Higher concentrations will cause leaf damage.

Released from the Lethbridge Research Station.
